FUNDING

Total City Revenue and Other Funding \$93.7 Million

- The \$93.7 million of revenue, along with reserve funds accumulated in prior years, provides the funding that is available to finance City services.
- 51.3% of City revenue is general purpose and used to support police, public services, recreation programs, community development and other general government.
- The remaining 48.7% of revenue is restricted for specific purposes such as the Geological Hazard Abatement District, capital projects, services in special assessment districts, housing programs and internal services such as equipment replacement.

General Fund Revenue \$48.1 Million

- *General Fund Revenue* consists primarily of taxes, licenses/permits, and service fees. Property tax is the City's single largest revenue source. The assessed values increased 7.96% during FY 2015-16 and are estimated to have an increase of 6% during FY 2016-17.
