

## **NOTICE OF CONSTRUCTION**

**DEER CREEK APARTMENTS (SHAPELL)**

**TRAFFIC CONTROL AND RE-STRIPING ON  
BOLLINGER CAYON ROAD FROM DOUGHERTY ROAD TO EAST BRANCH PARKWAY**

**Planned Construction Period: June 2023 – Fall 2024**

During the month of June 2023, ZCON Builders will be re-striping the southbound lane markings on Bollinger Canyon Road for construction access to the project. Work will take place between the hours of 7:30 am to 5:00 pm Monday through Friday. Traffic control will be put in place to maintain public safety. These temporary lane markings will remain in place until the permanent pavement restoration and lane markings are installed, anticipated in Fall 2024.

Please note that the traffic signal at the main project drive aisle will be operational; however, access to the site will only be allowed for construction vehicles.

This roadway work will allow ZCON to complete the 188-unit apartments for this south phase of the project in a more safe and efficient manner. Combined with the existing 261 units constructed in the north phase of the project, the total number of units for the Deer Creek Apartments development will be 449 units.
