After School Enrichment Program Information

Welcome to the After School Enrichment Program! Please review the following information *with your child* so they know where to go for their After School Enrichment Class(es).

ASE Class Locations

Anyone who is attending an After School Enrichment (ASE) class should go to their ASE class location directly after school or during the designated time. If your child attends Growing Room, Kids Country, or YMCA Child Care, please send your child directly to the class or have an authorized adult sign the child out and bring them to the class. The ASE class locations are listed on our website at www.sanramon.ca.gov/afterschool.

Pick Up

At the end of the class, pick up your child from the class location. Again, room locations can be found on our website at www.sanramon.ca.gov/afterschool. **Please be prompt in picking up your child.** If the school is closed or the gates are locked, the instructor will bring the students to the closest gate and/or front of the school.

If your child attends Growing Room, Kids Country, or YMCA Child Care, they will be escorted there by the instructor after the class is completed and after all the other children have been picked up.

Materials Fees

If the After School Enrichment class has a material fee, it should be paid directly to the instructor. We suggest sending a check with your child in an envelope to give to the instructor, or give the instructor a check directly when you pick up your child.

Contact Us

If you have any questions on these procedures or the After School Enrichment Program please contact Jennifer Gault at jegault@sanramon.ca.gov or 925-973-3375.
