

# Construction Update: Iron Horse Trail Overcrossing

## Upcoming Changes to Bollinger Canyon Road Traffic

Work continues on the Iron Horse Trail Overcrossing at Bollinger Canyon Road. Please see below for anticipated upcoming work and impacts to traffic flow.

### Work Completed Through 12/04/23:

- Completed CIDH (cast in drilled hole) pile work on the North and South Trail
- Completed traffic signal switchover to temporary system
- Completed equipment mobilization to the median
- Began median CIDH pile work

### Work Anticipated Through 12/15/23 (Weather Dependent):

- Continue demolition, excavation and MSE wall work on the Trail
- Continue electrical work for the traffic signal at the intersection of Bollinger Canyon Road at BR1E
- Complete Median CIDH pile work
- **December 14<sup>th</sup> – Potential traffic signal switchover to the permanent traffic signal system – Expect Delays – Watch for flaggers**
- **December 15<sup>th</sup> – Potential adjustment to k-rail to reduce the existing closure area to the original configuration – Expect Delays – Watch for flaggers**
