

## NOTICE OF CONSTRUCTION

### SAN RAMON LIBRARY EXPANSION AND RENOVATION

Planned Construction Period: October 1, 2015 to December 31, 2016

The expansion and renovation of the San Ramon Library Project is scheduled to begin on October 1, 2015 and continue to completion until December 31, 2016. The expansion and renovation work is planned to be constructed on normal working days between the hours of 8:00 a.m. to 4:00 p.m.

The proposed improvements include, but not limited to: selective demolition; approximately 3,200 sq. ft. interior expansion of the second floor; approximately 18,200 sq. ft. of interior remodel and renovation; plumbing, mechanical and electrical work; site improvements including freestanding entrance portals and monument sign; new hardscape; landscaping and irrigation system; and all other work necessary to complete the project.

In order to complete the proposed improvements, a portion of the Library parking spaces will be used as construction staging area. The number of the parking spaces used for staging area may increase from time to time depending on the contractor's operation.

The City asks for your cooperation and consideration while construction is underway. Please drive carefully through Market Place, Montgomery Street, and areas in the vicinity of the Library. While the project has been planned to minimize impacts to the tenants and public, some construction impacts and inconvenience cannot be avoided.

The City has contracted with Sausal Corporation of San Leandro to perform the expansion and renovation work.

#### Contact Information:

Project Manager: Moustefa Kendroud  
Telephone No.: (925) 973-2681 / (925) 973-2670  
Email: [mkendroud@sanramon.ca.gov](mailto:mkendroud@sanramon.ca.gov)

Project Inspector: Karl Shogren  
Telephone No.: (925) 973-2695  
Email: [kshogren@sanramon.ca.gov](mailto:kshogren@sanramon.ca.gov)

The expanded and renovated Library will benefit the San Ramon community, residents, and local businesses when the project is completed. The City would like to thank you in advance for your patience and cooperation during construction of this project.
