

NATURE CAMPS

Sienna Ranch at Forest Home Farms

Sienna Ranch is a local, family-owned outdoor education center. Our passions include growing food, teaching naturalist and homesteading skills, wild foraging, animal husbandry, and cultivating a rich connection to the natural and animal world. Sienna Ranch is excited to collaborate with Forest Home Farms to bring our enthusiasm and knowledge of the outdoors to the City of San Ramon. We look forward to sinking our roots into this new site and exploring its natural mysteries with you. Visit us online: siennaranch.net.

Discovering the Natural World

Join us as we explore hills and valleys, chicken coops and garden beds, leaving no stone unturned. Each day will be themed around a particular animal, homesteading craft or naturalist skill with plenty of time to follow campers' curiosity. Our week will culminate with an off-site field trip to a local trailhead.

Nature Day Camp - New Location!

The City of San Ramon's longest running camp will now be at Forest Home Farms Historic Park. This rustic site celebrates the natural and agricultural history of the San Ramon Valley. Nature Day Camp encourages campers to explore, create and play in this vibrant, historic setting. Our staff will facilitate hands-on activities that are sure to ignite a passion for nature learning and exploration. Campers experience nature together, developing a strong appreciation for the outdoors and learning how to protect our environment.
