## Mad Science - Preschool Workshops

Instructor: Mad Science of Mt. Diablo

*Ages 4-6 5 Classes \$217(R/GO)/\$272(N)*

**Dougherty Station Community Center**

### Planet Earth Explorers

Preschoolers explore their sense of sight, sound, smell, taste and touch. Children use a magnifying glass to discover the world of creepy crawlies. Explore the science of the sea and the fascinating creatures that live there. Campers become paleontologists by searching for fossils and participating in a mini dinosaur dig. Finally, take an exciting mission with Mad Science to explore the planets, moons and stars. Take-home projects included each day!

Mon-Fri 6/16-6/20 9:00am-12:00pm Act #89546

### Into the Garden

Preschoolers will learn all about how their gardens grow, from the very first seedling, to the important roles of sun and rain, to the amazing plants and flowers that sprout and bloom. They will also get acquainted with the many insect inhabitants of their gardens, and how those insects help make their gardens so beautiful.

Mon-Fri 7/7-7/11 9:00am-12:00pm Act #89547

### Future Geniuses

Tailored for preschool and kindergarteners, this camp will use the scientific method to uncover the mysteries of motion and energy. We will experiment with everything from color to structures, and from music to space! Each day includes a related take home project young geniuses will enjoy beyond class time.

Mon-Fri 8/11-8/15 9:00am-12:00pm Act #89548
