The Dougherty Valley Aquatic Center and the Dougherty Valley Performing Arts Center Closed Due to Power Outage

The Dougherty Valley Aquatic Center and Dougherty Valley Performing Arts Center will be closed for the remainder of the day Monday, February 10, 2014. The closure is due to a power outage that is affecting the entire Dougherty Valley High School Campus. This will affect the operations of the City's aquatics and performing arts programs at these locations through at least the end of the day. PG&E is expected to be on-site today, but there is currently no estimated time for the repair work to be completed. The City will post updates to both the performing arts center website www.sanramonperformingarts.com and the aquatic center page www.sanramon.ca.gov/aquatics. Participants of scheduled programs will be contacted with updated information on a regular basis.

Lap swim participants are encouraged to utilize the regularly scheduled lap swim sessions at the nearby San Ramon Olympic Pool and Aquatic Park located at 9900 Broadmoor Dr. If you have any questions, please feel free to contact us at 973-3200 or visit our website at www.sanramon.ca.gov/aquatics for specific hours of operation.

The City of San Ramon appreciates your understanding and cooperation during this closure.

The City of San Ramon Parks and Community Services Department creates community through people, parks, and programs focusing on providing recreational experiences, promoting health and wellness, fostering human development, increasing cultural unity, strengthening community image and sense of place, supporting economic development, facilitating community problem solving, and strengthening safety and security. For more information please visit our website at www.sanramon.ca.gov or call 925.973.3200.
