**APPLICATION PROCESSING TIMELINE QUESTIONNAIRE
 FOR WIRELESS TELECOMMUNICATIONS FACILITIES**

The City of San Ramon strives to complete application processing to reach a decision within the Federal Communications Commission Shot Clock Order (FCC 09-99) requirement of 90 days for collocation projects, and 150 days for new siting projects; however, the complexity and other issues may impact processing time. Please initial below if the Applicant is willing to extend or not extend the application processing timeline by 30 days.

Your agreement to this extension is strictly voluntary, and declining to consent to the extension will in no way impact the consideration or priority of your application, or the outcome of the application.

Confirm 30 Day Extension

Initial here _____ to indicate the Applicant's acceptance of an additional 30 day processing time (120 days for collocation projects; 180 days for new siting projects).

Decline 30 Day Extension

Initial here _____ to indicate the Applicant declines an additional 30 day processing time, thereby maintaining the FCC's application processing timeline (90 days for collocation projects; 150 days for new siting projects).

Applicant Authorization.

The undersigned certifies on behalf of itself and the Applicant that the information provided in this questionnaire is true and complete to the best of the undersigned's ability and knowledge, and that information should be relied upon by the City of San Ramon as being accurate and complete in evaluating this project.
