

As students prepare for the new school year, we want to ensure the greatest level of safety for everyone. Drivers should always:

- Adhere to the 25 mph zone, and slow down and obey all traffic laws and speed limits.
- Comply with local school drop-off and pick-up procedures.
- No unloading of children at locations across the street from the school.
- Cross the street in the crosswalks only.
- Avoid stopping or double parking on crosswalks to let children out of the car.
- Prepare to stop for a school bus when overhead yellow lights are flashing.
- Watch for children walking or biking to school when backing out of a driveway and in areas near a school.
- No cell phone use!
