Facilities Committee Staff Report

Meeting Staff Report

Date: January 24, 2024

From: Becky Adams, Program Manager

Subject: Dog Park Amenities – CIP

Recommended Action:

Staff recommends the Facilities Committee review and discuss the proposed dog park amenities and provide feedback to staff.

Background:

Over the past few years, staff has been working on improving the dog parks in San Ramon based on feedback and requests from the community. In December 2021, staff conducted a dog park survey inquiring about preferred surfaces and the desire for amenities and improvement to the current dog parks.

For FY23/24, staff recommended the inclusion of a \$50,000 CIP project during the budget process and it was approved as part of the operating budget. During the initial dog park survey, staff included questions regarding amenities the community would like to see added to the existing dog parks. Staff reviewed the survey responses, and the most requested items include:

Tunnels	Weave poles
Agility Obstacles	Ball Dispensers
Shade/Sitting Areas/Tall Tables	Water Feature
Picnic Tables	Additional Water Fountains, Signage, and Waste Disposal Cans

Staff researched different types of play features from multiple companies and are recommending “natural” looking play features from “Gyms for Dogs” at Tassajara Ridge Staging Area (TRSA), Memorial Park, and the small dog enclosure at Bark & Ride. Staff do not recommend adding features to the all-size enclosure at Bark & Ride or Del Mar Dog Park. The All-size enclosure at the Bark Ride was recently improved with Grass and the Del Mar dog park is on land owned by PGE so addition of amenities will require additional communication and discussion with PGE. Adding features to the all-size enclosure at Bark & Ride and the Del Mar Dog Park can be

considered with a future CIP project.

The addition of dog park amenities meets two goals in the Parks, Trails, Open Space, and Recreation Master Plan that states:

2.3 – Provide facilities and programming that connect people to nature.

4.3 - Renew existing facilities to increase use, address trends, and diversity amenities.

None of the equipment requires concrete pads or concrete posts. Due to the weight of the items, Public Services staff will be able to easily install the equipment and if necessary, staff will be able to relocate equipment in the future.

Names, Types, and Description of Recommended Equipment

Bridge Climb (S/M) 18”H – Playful Incline or 24” Easy Incline

<https://www.gymsfordogs.com/product-category/bridge-climb/>

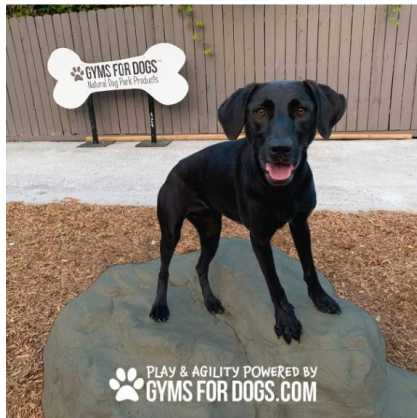

Description: Dogs can run up the incline and down the decline at their own pace and level of confidence. Incline and decline training help build muscle in a dog's legs and torso while developing balance and endurance. The solid platform on four posts is designed to be multi-functional to accommodate multiple dogs for optimal training. Shade tunnel underneath and training platform on top.

Luxury Climbing Boulder – XL/L/S

<https://www.gymsfordogs.com/product-category/climbing-boulder/>

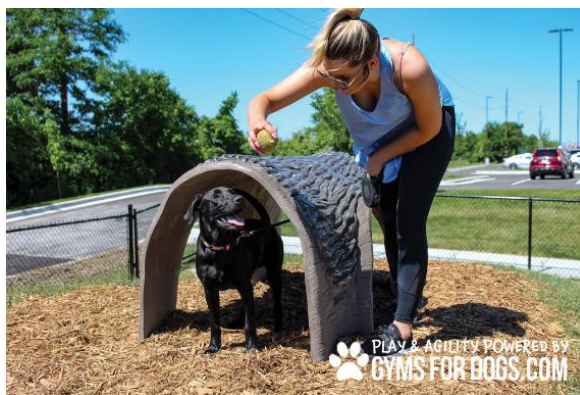

Description: Climbing Boulders are perfect for dog parks. The boulders provide numerous natural climbing features for people and dogs of all ages. They are molded from real rock, hand-carved to simulate a real boulder, made of UV-resistant fiberglass, and come with a special anti-graffiti coating. Installation is as simple as placement on an existing slab or footing and bolting down.

Hammie's Tunnel House

<https://www.gymsfordogs.com/product-category/hammies-tunnel-house/>

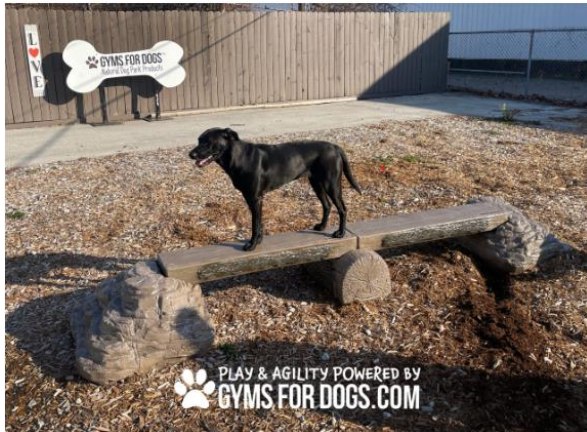

Gyms For Dogs™ – Natural Wood Like – Exclusive Signature Hammie's Tunnel House™

(L/X) Lumber Like – Approx 14' L x 38" W, 18" H Constructed from Fiber Reinforced Concrete

Tables

<https://www.keystoneridgedesigns.com/products/ProductDetail.aspx?prodid=2129>

Make an effective and creative use of space with the Creekview Counter. Designed at a standing height with a convenient footrest, this innovative table creates a flexible and space-saving solution for today's changing landscape and is less likely to have dogs jumping on it due to the higher height.

Length: 48 in.
Width: 18 1/2 in.
Height: 43 in.

Below is a chart including the name of the equipment, as well as the recommended location, differentiated between small dog and all-size enclosures. Staff recommend putting a few pieces in each of the identified parks rather than clustering more pieces in just one or two of the parks. This methodology will allow staff to see how the pieces are used and if the community of dog park users like them before committing to more.

21	I live close to the memorial dog park. Great facilities. Unfortunately I had to stop going there due to people from out of town showing up with aggressive dogs, and having zero responsibility. I wish you the best of luck with your possible off leash park.	12/27/2021 11:48 AM
22	People not picking up after their dogs is inexcusable. I don't know what district I live in. It's by Cal High and Del Mar.	12/26/2021 10:15 PM

56	Parks which have just rock as a surface within a fenced area are generally undesirable. Primarily because there is nothing to smell no plants no way of actually being able to throw a ball and have them chase the ball because of the flying rock underneath their feet	12/21/2021 9:55 AM

59	i prefer the community parks more than dog parks, they are larger and have human amenities for entire family. but often witness dog owners not cleaning up. that just ruins the park for people. who really liked getting poo on their clothes and stuff like balls and frisbees. somehow solve the poo problem then all parks can be enjoyed by all families. 65	Please control dogs (owners) running freely in the ground of Pine Valley Middle School. They're aggressive, so I can't walk through the park without fear.	12/20/2021 11:19 PM

67	Parks need lights so that we can go in the evening during the winter! Lights don't have to stay on all night (no later than 9pm). Just give us a few hours after work to go. Thanks!	12/20/2021 10:03 PM

72	Best dog parks I have ever been too have been agility minded parks. I do not frequent the in town dog parks as they are boring for my dog who is interested in some sort of sporty element for her to try.	12/20/2021 9:25 PM

77	I think dog parks are a great place to take your dog. I don't personally take my dog because she is unpredictable and I am unsure how she will react toward the other dogs there. I keep her on her leash and walk her in the neighborhood. I avoid community parks as several people have dogs off leash (even though it isn't an actual dog park) and they tend to run up on my dog and I. I don't feel safe taking her there.	12/20/2021 8:07 PM
78	I won't go if the big dogs are allowed with the small dogs	12/20/2021 7:45 PM
79	There is a fenced dog park in Dublin/Pleasanton that is done in a great way. One large area and one for puppies or shy dogs. It is fabulous.	12/20/2021 7:30 PM
80	Do not use fertilizers/ chemicals on the ground surfaces	12/20/2021 6:56 PM
81	Would be great to have completely separated / locked sub-sections	12/20/2021 6:32 PM
82	I would love to reserve a space for my dog to be off leash with no other dogs around. Reserving a "dog park" for 30 mins would be incredible and more safe for everyone who isn't interested in socializing dogs. Just playing off leash alone.	12/20/2021 6:16 PM

83	City crews do a great job keeping up the Del Mar park.	12/20/2021 5:53 PM
84	I drive to Hap McGee dog park in Danville because it is the closest park with grass surface. Memorial Park is closest but it is usually a mess with dog poop that is not picked up.	12/20/2021 5:45 PM
85	Our dog and us love the Cesar Chavez Dog Park in Berkley; something like that around here would be great	12/20/2021 5:44 PM
86	We would really love to have a grassy dog park in San Ramon. We drive to Hap Magee in Danville now but don't go as frequently as we'd like due to the distance from our home.	12/20/2021 5:40 PM
87	I can't bring my dog to a dog park because he doesn't get along with other dogs but the people I do run into with dogs off leash say they don't go to San Ramon dog parks because they are dirty. It would be great if the city could clean them up and get these off leash dogs out of the city parks that would be great.	12/20/2021 5:33 PM
88	Your city crews do a great job on maintenance and cleaning	12/20/2021 5:25 PM

Please take the money and use it to help maintain the current parks from the affects of dogs. And I just looked up the dog parks that are listed above (didn't know that there were any in SR). Look at those dog parks, and that is why you shouldn't build more, they look awful. Tessajara could be ok if you if expanded it so that the fence went around the first hill (follow the trail and go about 400-500 meters around the base of the hill staying to the south. besides that, don't do it.	12/20/2021 2:08 PM

San Ramon has so many parks that has large grass areas. why not create a time frame for dogs to enjoy it freely with their owners. Make sure the time frame is not clash with busy hours(when most kids are playing in the park.) We can also rotate the locations from park to park so dog owners can follow the schedule to go to the right park. people who don't like or afraid of dogs, can avoid to go to the park around the time frame. Everyone shall enjoy our beautiful parks regardless with or without dogs!	12/20/2021 12:48 PM

139	My dog (& I'm sure several dogs) are not dog park ready. He is very playful, a little too much and not finished training to come when called. He is also 60lbs & just 1 year old. It would be great to have a leash free, fenced in dog area for dogs to run by themselves. Only 1 at a time. Either to reserve for 30min or 1st come 1st serve type situation. 172	Yes, I am not a dog owner but have brought this up a couple of time. In our park which is Ramona, everyday in the afternoon to evening, there are scores of unleashed dogs roaming around, such a sad scene to see. There are small kids playing here and I feel it's very very dangerous to allow this to happen with these dogs running around without a leash! I'm noting down these comments but we need the City to come and enforce the rules here. Why don't folks take their dogs to the dog park? This can't continue any longer. Ramona Park should be off limits for unleashed dogs and preferably all dogs!!	12/20/2021 11:50 AM

197	I never go to the dog parks in San Ramon due to their poor design. They have crushed sand surfaces and this gets my dog's coat really dirty. Also, those parks stink and I'm afraid of disease in these parks. If you replaced the crushed sand with grass and added shade, perhaps I'd visit. But I'm pretty happy bringing my dog to the neighborhood park where 25-30 dogs gather each afternoon.	12/20/2021 11:34 AM

I have started avoiding some of the trails where dog owners totally ignore and/or just flee from the places where their dogs poop. 212	I'm not a dog owner but frequently visit Walt Disney school park. This park is less than 1/10th of a mile from a sanctioned dog park. People use the school as a dog park and nearly every time we visit there is an incident between dogs or dogs attacking people. Yesterday I witnessed a person with 5 dogs at the park. Their pack of dogs attacked another dog owner and bit her. My kids have been knocked over by off-leash dogs at the playground area. Dog owners seem to like the grass field of the school and I see many drive to the school instead of the very near dog park. I think a grass field and convenient location are the most-desired amenities.	12/20/2021 11:28 AM

250	I prefer community park with no off-leash restrictions.	12/10/2021 4:45 PM
251	No Thankyou!	12/9/2021 3:47 PM
252	Love them.	12/9/2021 11:13 AM

254	No	12/9/2021 7:42 AM
255	Aggressive dogs stopped us from using dog park. Not sure how that can be addressed	12/8/2021 3:21 PM
256	Separate area for puppies/small dogs	12/8/2021 2:59 PM
257	There are OFTEN large dogs in the area designated for small dogs only. Many smaller dogs are intimidated by this but the owners of the large dogs don't seem to care.	12/8/2021 9:36 AM
258	Lights needed at bark n ride!!!	12/7/2021 5:35 PM
259	INVEST IN GRASS	12/7/2021 4:50 PM
260	Memorial park is awful on dogs paws, the sand tears up their paws and is unusable	12/7/2021 2:38 PM
261	Would there be a possibility for a dog park to be built above Old Ranch Rd. where the frisbee golf is???? Seems like a good location for a dog park.	12/7/2021 12:30 PM
262	Add lights to the Bark and Ride. Maybe another trash can and dog poop scoops on the opposite end.	12/6/2021 10:10 PM
263	It's really nice that Del Mar dog park has seats and lots of balls and a shovel for pickup and fresh water. People have brought their old back yard furniture and so appreciate that all those chairs are available and parks and recs hasn't removed them all to make us sit on stinky dog pee benches.	12/6/2021 12:06 PM
264	The number of dogs have quadrupled or more in the last year in the gale ranch area & continues. So we definitely need a dog park across from gale ranch middle school on south monarch. A baseball field, NOT so much is needed.	12/5/2021 8:33 PM
265	Please fix the water fountains. The water stream is minimal and has been for a while. And eco friendly poop bags would be nice at the park.	12/5/2021 5:02 PM
266	More lights would be nice	12/5/2021 4:59 PM
267	Have 2 sections and more dog waste cans so maybe people are more likely to clean up after their dog	12/5/2021 3:30 PM
268	Make sure dog owners clean poop after ise	12/5/2021 1:22 PM
269	The groundskeeper at memorial is doing a great job!	12/5/2021 1:17 PM

Dog Park Survey

270	No	12/5/2021 11:59 AM
271	More signs reminding people to pick up after their dogs. Better water spickets to get water for dog bowls.	12/5/2021 11:36 AM
272	Please improve the staging area dog park. It's so close to my home but it's nothing but dirt.	12/5/2021 11:24 AM
273	Would be great if lights could be installed so parks can be open for extended hours	12/5/2021 10:51 AM
274	Decomposed granite at the cities dog parks have to go! It's horrible for the dogs' paws!!!!	12/4/2021 11:55 PM
275	A couple rules could be posted like humping or being too aggressive otherwise go into the big dog park because little dogs are more susceptible to that. Could we have more light at the bark and ride because it's really dark.	12/4/2021 5:36 PM
276	More shade at bark and ride would be nice	12/4/2021 5:12 PM
277	I enjoy Tassajara park	12/4/2021 2:56 PM
278	Make sure they are gated and don't have the gravel. The gravel creates lots of dust and could injure dog paws	12/4/2021 2:39 PM
279	We often see off leash dogs in community parks. Maybe a designated area in community parks where dogs are allowed?	12/4/2021 2:35 PM
280	Larger grass spaces and additional amenities	12/4/2021 1:55 PM
281	Tanbark is hard to get out of my dogs hair so we tend to go to memorial over del mar even though del mar is closer	12/4/2021 12:20 PM
282	Hap mcgee is a great midel	12/4/2021 12:07 PM
283	Sandboxes for digging would be nice	12/4/2021 11:26 AM
284	I would love a park similar to Hap Magee dog park, which has grass.	12/4/2021 6:48 AM
285	Love memorial, but the entire dirt surface as lousy trees are disappointing	12/3/2021 8:10 PM
286	Grass and agility areas	12/3/2021 8:04 PM
287	We need one near Dougherty Valley High School	12/3/2021 6:14 PM
288	We need park lights. More water fountainsmore poops bags. Garbage can in back of park. Put lights on the oning.	12/3/2021 5:24 PM
289	Post No Aggressive Dog Signs - Have Dog Doo bags	12/3/2021 5:20 PM
290	Split the Delmar park into a little and big dog park. Little dogs bother the bigger dogs and then there are problems. This is why I don't use the Delmar park even though I live a block away.Also many people use Walt Disney as an off leash dog park. Many altercations.	12/3/2021 4:36 PM
291	Perhaps a mini course in the corner	12/3/2021 4:28 PM
292	Off leash dogs should be cited, over 20lb dogs in small dog area should be cited.	12/3/2021 4:22 PM
293	You need to split the large dogpark and make a section for medium size dogs and older big dogs so they stop coming into the small dog park.	12/3/2021 4:20 PM
294	Surface should be such that it does not get muddy/dirty. E.g., if it's tanbark, the tanbark should be replenished often enough that it doesn't turn into dirt/mud. Grass is a nice idea, but it never stays nice.	12/3/2021 3:45 PM
295	We are using Bark and Ride dog park 7 days week, it need to be watered (sprinkler) 3 times a week and need light provision during dark days.	12/3/2021 3:43 PM
296	I use Bark and ride dog park twice a day. I would recommend water the park at least 3 times a week. And light, especially during winter as it gets dark early.	12/3/2021 3:41 PM
297	I think the park in Dublin on Amador is good example of a nice dog park. I sometimes take my dogs there.	12/3/2021 2:39 PM
298	We have lots of parks in Windemere for people/children that are big enough and could potentially be partially fenced off as dog parks.	12/3/2021 1:23 PM

299	Some monitoring so that aggressive dogs can be identified and some remedial actions taken	12/3/2021 1:12 PM
300	I would love if you resurfaced the memorial dog park. My dog gets really dirty	12/3/2021 1:10 PM
301	We are very lucky to have so much open space. Please take a look at http://www.seattle.gov/parks/find/parks/magnuson-park/off-leash-area they have the most amazing large dog area for humans and pups.	12/3/2021 11:49 AM
302	Get rid of the crushed Granite surfaces. Awful.	12/3/2021 11:42 AM
303	Doggie water fountain	12/3/2021 9:20 AM
304	Overall they are unsafe because of aggressive dogs and owners who don't take responsibility. Our dog has had to get vet treatment twice because of aggressive dogs. We only go now when there are no other dogs there	12/3/2021 8:51 AM
305	Would love to have lights so we can go to the doctor now that is getting darker earlier. Leslie have	12/2/2021 11:22 PM
306	No, thank you for the survey	12/2/2021 10:46 PM
307	We live right across the bark and ride, but not going there because of the surface. It's an awful dusty collector of dog feces that all rise in the air when dogs are running or the wind is blowing. Any non dusting surface works, grass is the best. Maybe artificial turf?	12/2/2021 10:02 PM
308	post requirement for dog owners before leaving to use pooper scooper	12/2/2021 7:52 PM
309	We urgently need a dog park with grass area	12/2/2021 7:38 PM
310	Learning certain dog parks are friendly than others depending on friendliness of locals that live in that area	12/2/2021 6:19 PM
311	I had raised my concern regarding Tassajara staging area lacking grass surface even with so many dog owners in the close neighborhood! I was told to go to other dog parks!!!	12/2/2021 6:13 PM
312	Lights I dog park	12/2/2021 5:20 PM
313	Provide poop bags. Dog owners should technically have this but some don't. Many dog parks in surrounding cities have these available so just a thought!	12/2/2021 5:14 PM
314	Keep the water pressure and we're Golden.	12/2/2021 4:08 PM
315	I'd like to have lights for play after sundown.	12/2/2021 4:06 PM
316	Please provide grass in bark and ride and allow small dogs in school parks after school hours	12/2/2021 3:59 PM
317	More Water fountains. Each side of the dog parks	12/2/2021 3:36 PM
318	Adding Dog waste bags at Del Mar would be helpful	12/2/2021 3:32 PM
319	In district 3, really want to see other surfaces at dog parks besides the fine granite.	12/2/2021 3:26 PM
320	Until human and canine manners improve, I find it difficult to bring my dog to the dog park. Too many people do not care about their own manners and it shows very negatively in their dog's behaviors.	12/2/2021 2:54 PM
321	Thank you	12/2/2021 2:14 PM
322	Request for trash cans along San Ramon Vally Blvd. i see many dog owners throw trash in bushes and school kids throw packets on sidewalks, bushes. Please!!!	12/2/2021 1:36 PM
323	Parking can occasionally be an issue at Memorial Park.	12/2/2021 1:31 PM
324	Unfenced area would not work for my dog. SR dog parks do not have a space for 29 lb dogs that can't tolerate aggressive large dogs. I'm tired of driving to WC to go to the dog park.	12/2/2021 1:15 PM
325	More grass surface off leash dog parks	12/2/2021 1:12 PM
326	Benches in shade for owners to sit is a must! ☺	12/2/2021 12:44 PM

329	Another water fountain at memorial park	12/2/2021 10:30 AM
330	Have a bench for the people and plant trees again	12/2/2021 9:02 AM
331	Fenced off area either in limerick Park or East brach Park for big dogs to run around off-leash would be ideal for this purple area	12/2/2021 8:35 AM
332	Promises have been made for many yes on improving the parks let's get it done!	12/2/2021 8:32 AM
333	Only at memorial park do I see more aggressive dogs. Often, the posted sign is not enough to prevent them from entering, then making excuses for their aggressive animal. They bring the dog back repeatedly while continuing to attack other dogs and puppies. Other park goers are powerless to stop them and have to relinquish the park over to the aggressive dogs and simply leave. There is no control whatsoever, the sign is just a week posting and aggressive dog owners know it.	12/2/2021 8:17 AM
334	More trees, benched and shade at memorial please!	12/2/2021 7:56 AM
335	Pls enforce fine for those owners not picking up dog poop	12/1/2021 11:22 PM
336	Please add lights for evening/nights .	12/1/2021 9:57 PM
337	Lights at the dog parks especially memorial so that people can stay past 5pm in the winter time. A lot of people don't get off work until five and by that time it's already dark and they have no option of going to a dog park to exercise their dog. Lights would be great	12/1/2021 9:35 PM
338	Provide plenty of water stations and clean up tools. Enforce the rules for owners that cause issues.	12/1/2021 8:25 PM
339	Lighting at Memorial Park, hard to see after dark during winter when it gets dark early	12/1/2021 8:09 PM
340	Water and trees	12/1/2021 7:42 PM
341	More small dog parks, please!	12/1/2021 7:38 PM
342	Livermore has a large fenced dog park with a grass surface-basically a fenced in field. Big enough for big dogs to really run. Something similar would be great.	12/1/2021 7:23 PM
343	People impeach their dog then sit and look at their phone and don't pay attention to their animals. This is just my experience. Most don't train their dogs and they attack other dogs as well as run to children and AI's are them. I don't think we need more dog parks.	12/1/2021 5:53 PM
344	Del Mar should fence off the two sections with a gate so dogs of differing play styles can be separated (not big/small, just two play yards)	12/1/2021 5:25 PM
345	I usually go to Hap Magee in Danville, even though it's farther from my house, because of grassy surface. Almost everyone there agrees that it's probably the best dog park in this area.	12/1/2021 5:23 PM
346	No	12/1/2021 5:09 PM
347	More close to homes	12/1/2021 4:21 PM
348	We would love another dog park in San Ramon, but definitely fenced.	12/1/2021 3:50 PM
349	More ppl really should respect the country posted rules . If you know you have an aggressive dog please to courteous to others and stay away ! Also watch your dogs behavior intervention when needed stay off electronics others are not here to babysit . Clean up after your dog !	12/1/2021 2:45 PM
350	It is helpful to supply pooper scoopers more people will pick up poo. 2. Please water down parks to keep dust down	12/1/2021 2:40 PM
351	We desperately need a place where dogs can play off-leash on grass surface even if it is for a limited time.	12/1/2021 1:53 PM
352	Current Dog Parks are useless. They have dirt surface which harbors bacteria from their poop. This dirt gets in their eyes. My Dog gets Eye infection every time I take him to one of these parks. Need to have grass in the dog parks.	12/1/2021 12:58 PM
353	Grass would be awesome but a lot of upkeep to keep it green.	12/1/2021 12:45 PM
354	They all seem great to me but every time I go there's nobody there!	12/1/2021 12:34 PM

Dog Park Survey

355	Love Del Mar dog park	12/1/2021 12:32 PM
356	Memorial Dog Park could use some more shade structures (maybe some type of large shade sails?) and an additional water fountain (one on each end). Also, the surface could use some maintenance.	12/1/2021 12:21 PM
357	My house overlooks the dog park and while it's fun to watch dogs 24/7, the bark & ride park needs some vegetation along the eastern border for privacy. Dog park visitors can see right into my yard.	12/1/2021 11:44 AM
358	Please provide a dog park next to soccer field in tiffany roberts park	12/1/2021 11:09 AM
359	All dog parks have dirt, why not grass?	12/1/2021 10:56 AM
360	Better fencing, gate system, and another water fountain	12/1/2021 9:24 AM
361	Due to covid the dog n pet population increased can city take quick action n get things done sooner rather we fill out so many surveys I need to see city take some action	12/1/2021 9:18 AM
362	I do not take my dog to dog parks but they are important	12/1/2021 8:39 AM
363	while the number of parks at San Ramon are great, they are hard to use because of the surface. the dust gets wrapped up in fur and then we're concerned about bringing diseases into our home. therefore we aren't able to frequent the parks as much as we'd like to. i sincerely wish parks like https://maps.app.goo.gl/CVhAeJYTMh9sice89 were here in San Ramon. they have big water fountains to fill bottles of water that are good for hydration without sharing the slobber among pets. some play structures and low maintenance turf makes for a very nice outing!	12/1/2021 8:31 AM
364	We have a small area a piece cut out in Piccadilly park, if we can fence it will be a great area for dogs to play.	12/1/2021 8:31 AM
365	1 - I recommend to put some signs asking everyone to pick after their dog. How about few signs attached to the fence where the dogs poop the most? 2 - I also recommend some small bar table height or just small platforms attached to the fence so we can put our cup coffees. The table at the Memorial is nice but the dogs jump on it and knock down the drinks. 3 - The Memorial Park does not have enough shade during the late afternoons particularly during the summer. Maybe strategically plant a couple of trees?	12/1/2021 8:29 AM
366	1. Shade in parks is important for both dogs and their owners. 2. surface in the park will help maintain the park and maintain the dog hygiene. 3. Certain hours in community parks will allow dogs and dog owners to be able to go to more places and let their pups live a fulfilled life.	12/1/2021 8:26 AM
367	The map is difficult to see in question 1. We are at the Bridges Golf Course neighborhood.	12/1/2021 8:23 AM
368	It would be nice to have some fun ramps and poles and I would also like some lights added around the park maybe just 1-2 and that they have a time limit so it turns off at about 7pm	12/1/2021 8:19 AM
369	We really need nice dog park for san Ramon with turf or grass areas to play	12/1/2021 7:38 AM
370	More signage regarding picking up your dog's waste	12/1/2021 7:27 AM
371	It is always a struggle at parks, dogs need to run & socialize but there are not great opportunities/areas for them to do so. I'd love to see open grass areas also be allowed with dog clean up supplies nearby	12/1/2021 7:13 AM
372	Small vs big dog sections are important	12/1/2021 6:48 AM
373	TT	12/1/2021 5:39 AM
374	It would be nice to make small part of Ramona Park a dog park	12/1/2021 4:14 AM
375	More water fountains in large fenced in area.	12/1/2021 3:27 AM
376	Please please consider some updates to Memorial Park. It has no amenities for the dogs and only one water fountain in the big dog side way across the other side. The park had no been updated in years and there is a good crowd that takes their park daily. Thank you	12/1/2021 2:59 AM
377	Like humans, dogs also love to play in the grass not on the dirt or concrete.	12/1/2021 1:20 AM
378	People have been using Central Park as an off-leash dog park. It's frustrating for those of us who want to walk our dogs there on-leash without having untrained, off-leash dogs run up to us.	12/1/2021 12:25 AM

Dog Park Survey

379	It would be nice to have small and large dog park. Also gate fence needs to be closer to the ground. I've seen some small dogs slip underneath and run.	12/1/2021 12:20 AM
380	How to have responsible dog owners.	11/30/2021 11:44 PM
381	More shade for owners to be in while the dogs play/run.	11/30/2021 11:42 PM
382	Grassy dog parks asap Please! Thank you for your work on this need!	11/30/2021 11:07 PM
383	We need more dog parks for sure	11/30/2021 10:46 PM
384	Dog parks are best when attended by dogs within their own neighborhoods. It builds community amongst owners and dogs are less likely to have poor behavior when they are regularly around familiar dogs.	11/30/2021 10:44 PM
385	The spacing of the fences are too big. Small dogs can escape	11/30/2021 10:18 PM
386	No	11/30/2021 10:16 PM
387	People take their dogs off leash at public parks constantly. This has to stop. Red Willow park has German shepherds and pit bulls off leash every morning. Disaster waiting to happen.	11/30/2021 9:39 PM
388	Want a dog park in the new Critter park in gale ranch	11/30/2021 9:31 PM
389	The city of San Ramon is a great place for pets to walk and play. How ever during the pandemic period there is increase in number of dogs. So it will be great if some public parks are fenced for unleashed dogs to play. I fenced areas aren't safe for both dog and other humans. Also have grass in the park is greatly helpful in the dog parks.	11/30/2021 9:29 PM
390	There is an open area in Tiffany Robert's sports park (behind the soccer field) which can be temporarily turned each day into off-leash play area for dogs. This area is fenced on 3 sides but will need to be enclosed/fenced on the fourth side to ensure complete closure for safety of the dogs.	11/30/2021 9:18 PM
391	We go to Hap Magee in Danville because it's maintained and dog doesn't get filthy there.	11/30/2021 9:17 PM
392	We need more dog parks and one with the right surface	11/30/2021 9:13 PM
393	Need street lighting around the dog park park fence so that dogs can play longer during the winter months	11/30/2021 9:10 PM
394	It would be nice to have lighting at the bark and ride dog park. Many people get off work around 5 and when they get home it's already dark and they cant take their dog out. A few flood lights or streetlights around the park would be nice.	11/30/2021 9:05 PM
395	Off-leash needs to be in designated areas, too many off leash aggressive dogs at parks that aren't dog parks & ruin our neighborhoods	11/30/2021 9:04 PM
396	Please consider making a dog park in Critter crossing park.	11/30/2021 9:00 PM
397	Please carve out a dog park area in the new Critter crossing park.	11/30/2021 8:58 PM
398	Please put grass at Memorial Park, the DG makes the dogs filthy.	11/30/2021 8:39 PM
399	The decomposed granite has caused injury to all three of my dogs, on the pads of their feet. I don't go anymore because of that and because of aggressive owners at the park.	11/30/2021 8:25 PM
400	We have so many parks for people in San Ramon and too few for dogs. We request the city to add more grass-textured dog parks every few miles. This can also help reduce the number of off-leash dogs and related incidents in local parks.	11/30/2021 8:16 PM
401	We live near Tiffany sports park. It will be blessing to have off leash fenced dog park with grass. There are so many fur babies here	11/30/2021 8:11 PM
402	San Ramon is poised to approve significantly increased high density, zero lot housing developments. Each of these developments should be required to include fenced, off-leash dog parks at the developers expense. Bray Commons in Dublin is an excellent example of a quality dog park situated in close proximity to high density housing. The lack of quality off-leash dog parks in San Ramon has been an unmet need for decades. People don't always respond to surveys but astute planners also observe behavior. The frequency and prevalence	11/30/2021 8:07 PM

Dog Park Survey

of people ignoring leash ordinances and letting their dogs run loose in San Ramon parks should speak volumes to this unmet need.

403	Need more dog parks as the number of dog parents have increased exponentially during this pandemic	11/30/2021 7:52 PM
404	Change the surface of bark and ride dog park. Add more things to attract more dogs to the park	11/30/2021 7:51 PM
405	Please use grass as the surface in a fenced dog park.	11/30/2021 7:47 PM
406	None	11/30/2021 7:35 PM
407	Our dog waits on the street to meet other dogs. its make me sad no glass area to off leash so they can run and play with other dog. i was expecting city to be pets frendly as ita generating revenue for dog groomers, food, trainers, doctors. on a avarage each dog owner spend \$200 per month.	11/30/2021 7:35 PM
408	Grass surface dog park please	11/30/2021 7:34 PM
409	Please install grass and fine the Dog owners who don't cleanup after the pet.	11/30/2021 7:32 PM
410	It would be preferable to have more and scattered dog parks so that they're more accessible on foot, even if that means each individual park had to be smaller	11/30/2021 7:32 PM
411	During the pandemic, many people got dogs, so we should have more parks around our area.	11/30/2021 7:32 PM
412	Please have grass surface!	11/30/2021 7:28 PM
413	Undenied play area is not safe	11/30/2021 7:24 PM
414	Given the large increase of dogs in Windemere community since the pandemic, more local off leash dog areas would be beneficial. The dog park on Camino Tassajara is quite far walking distance to most dog owners.	11/30/2021 7:22 PM
415	Would love to have grass surface in dog parks. We used to go to bark and ride dog park a lot but stopped because he would get super dirty. Some surface that is good for all seasons will help greatly.	11/30/2021 7:12 PM
416	Just need a dog park near DVHS	11/30/2021 7:11 PM
417	Install cameras to be sure people don't let their dogs run amook	11/30/2021 7:10 PM
418	Adding lights would be nice. Since it gets dark earlier, many of us only make it to the dog park for a little bit before the sun goes down. Maybe putting a timer on the lights to go off at 7pm or 7:30pm would work.	11/30/2021 7:10 PM
419	Number of dogs has gone up considerably in our neighborhood. We need additional dog parks to create a safe place for the community to gather with their dogs, build relationships to increase safety and well-being. All other residents will also welcome well behaved and healthy dogs in their neighborhoods.	11/30/2021 7:06 PM
420	Unfenced play area is not a good option as small puppies are still under training and they tend to run all the time. If park is not fenced then it's not a good idea to off leash them	11/30/2021 6:59 PM

424	Creating times and locations for off leash use makes a lot of sense since people are doing it anyways. Where there is passive turf, allow it for certain hours off leash. Put up some indiscreet fencing that still allows for use by humans during times when dogs are not allowed.	11/30/2021 5:43 PM
425	Can we have at least 1 grass dog park in the city?	11/30/2021 5:09 PM
426	As a dog owner who stopped using them because of aggressive dogs, there will always be owners who will not take their dogs to dog parks and keep them unleashed anyway. I have been emailing the city for years about this. Until u ticket the off leash owners, they will	11/30/2021 3:13 PM

continue to use unfenced parks. Nothing has changed in 15 years. If you think a new dog park will change that, you are mistaken.

427	One of the reasons we don't use the nearest dog park is mostly because I worry about other dogs. A large park where people could really spread out would help with that. Also could be nice to have socialization zones where people who want to socialize with each other or other dogs could go	11/30/2021 3:00 PM
428	More off-leash dog parks would be great especially for big dogs to be able to play long distance fetch.	11/30/2021 2:33 PM
429	We would like to see a section of Ramona park to be fenced for dog park. There are at least 20 dogs at the park every evening. It'll be nice of both dogs and people can enjoy the park without worrying about dogs running off.	11/30/2021 2:31 PM
430	Please use natural grass we are tired of fake stuff	11/30/2021 2:21 PM

434	A grassy park would be great, but understand why decomposed granite is used.	11/30/2021 1:55 PM
435	Please put in a grass dog park with shade!	11/30/2021 1:51 PM
436	More grass	11/30/2021 1:46 PM
437	Agility features and a splash pad would be amazing	11/30/2021 1:46 PM
438	They are pretty good. Owners need to pick up after their dogs	11/30/2021 1:44 PM
