

City Clerk's Office

Municipal Election November 3, 2020
Candidate Information

Office Sought: Mayor

Candidate's Name: Sanat Sethy

Ballot Designation: Businessman / Engineer

Candidate Statement of Qualifications
For the General Election to be held November 3, 2020
(Elections Code 13307, 13309, and 13311)

Instructions to Candidate: Your statement will be printed exactly as submitted. Carefully check for content, spelling, punctuation and grammar before submission. No changes are allowed once the statement is filed.

This form must be filed along with the candidate statement.

In addition to filing a hardcopy, you will need to submit your final candidate statement in an editable text format to the following email address: cfranco@sanramon.ca.gov

Hard copy must bear signature.

Office Name: Mayor Contest ID: _____ Candidate ID: _____

Word Limit: 400 • Cost: \$ _____ • Paid By: Candidate District

Candidate Name: SAVAT SETHY

I have reviewed the attached statement and I understand that no corrections or changes are allowed after it has been filed (pursuant to EC 13307). I understand that Contra Costa County is mandated under the Voting Rights Act to provide voting materials and information in English, Spanish, and Chinese.

I do not wish to file a Candidate Statement.

Dated 07/27/2020 Signature of Candidate 

Sanat Sethy

Businessman & Engineer

Why I'm Seeking Support:

I want to give back to my home, the City of San Ramon, which has given so much to me and my family. Amidst the COVID-19 outbreaks and an uncertain future, we need a strong mayor and effective leader now more than ever before.

My Qualifications:

Before immigrating to the United States, I earned my Bachelor of Engineering with a Master of Business Administration in India and later attended Massachusetts Institute of Technology, Stanford, and California Institute of Technology for continuing education and certifications. I've held various executive positions within several Information Technology companies. At my core, I am still an engineer, and engineers are problem solvers. I am confident I will better our home by utilizing those skills in City Hall.

About Me:

I'm very much a family man; my wife, children and I have called San Ramon home for 13 years where I served on the Economic Development Advisory Committee until 2019. My children attend Pine Valley Middle School and California High School. In my free time, I enjoy cooking with my family and volunteering with my children's sports teams.

As Your Mayor, I will:

- Fight for our children's future by proactively working with school districts
- Safely guide school districts and students through COVID-19 outbreak
- Redirect all San Ramon sales tax revenue back to San Ramon from county
- Maintain quality of life by saving our parks, mountains, and green spaces from unwanted development
- Decrease unreasonable fees associated with the use of our parks for children's sports leagues, planning/zoning appeals, and city facility rentals
- Develop balanced budget for San Ramon while increasing rainy-day fund/financial reserve
- Reduce frivolous spending, thus increasing budget for services that benefit our community
- Support the building of a new high school, open spaces, and traffic solutions before the city's plan to construct 6000+ new housing units
- Support police department with funds and equipment to ensure the safety of all residents
- Introduce eight-year term limits for city council members
- Support electing planning commissioners to position rather than hiring by council members

My Promise to You:

I vow to build a San Ramon where our children have a secure and bright future ahead of them.

However, I can't do this alone.

Please visit SanatSethy.com to learn more.

Thank you for your time and support.

Sanat Sethy
