

CALL TO ARTISTS – Request for Qualifications (RFQ)

[San Ramon Library Public Art](#)

***\$30,000 awarded for the total budget for the San Ramon Library Public Art Project**
***Statement of Qualifications (SOQ) Deadline: November 18, 2020 at 3:00pm (PDT)**

ELIGIBILITY

This RFQ is open to all practicing, professional artists living in the western continental United States including Arizona, California, Colorado, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington and Wyoming. Experience in public art is desirable but not required. The selected artist must be available to attend a minimum of four (4) meetings with City staff and City Advisory Committees/Commissions during the design phase and timeline for the artwork.

DESCRIPTION

The City of San Ramon is seeking qualified artist(s) interested in creating a site specific work of public art for the San Ramon Library. The San Ramon Library Public Art Piece should be relevant to the overall essence of the Library (*i.e.* sense of wonderment, curiosity, education, learning, inclusiveness, appropriate for all ages and walks of life, etc.) This can be approached abstractly or literally. Artists of all media are encouraged to apply.

The San Ramon Library is a vital center of community activity. The library is located in the Marketplace shopping center at 100 Montgomery Street, across the street from Central Park and the San Ramon Community Center. The library includes a large children's area with a separate story room, teen area, public access computers and free wireless Internet access. Collections include materials in a variety of formats that support the educational and entertainment needs of the community. Programs for children, teens, and adults are provided with the support of San Ramon Library Foundation. San Ramon is also particularly proud of the jazz collection and annual jazz concerts which take place at the library.

BUDGET

The proposed budget for the San Ramon Library Public Art Project is up to \$30,000. The budget must include all artist fees and costs associated with the design, fabrication, shipping, engineering, installation, travel, and acquiring of all necessary permits, insurances and licenses.
