MISSION

The mission of the Art Gallery Program is to enrich and inspire the lives of the local community by offering free access to view high quality art work all year round.

The Arts foster and cultivate healthy communities through civic pride and cross-cultural harmony.

San Ramon supports both new emerging artists and seasoned professional artists by providing them with spaces to exhibit and sell their art. Through this support, artists are able to gain valuable experience and exposure for their work.

OVERVIEW

The City of San Ramon Parks & Community Services Department runs and operates a robust Art Gallery Program which includes five separate Art Galleries located throughout various San Ramon facilities. Artists go through an application process which then gets reviewed by the Arts Advisory Committee. Exhibits change every one to three months, depending on the gallery.

LINDSAY DIRKX BROWN GALLERY

(Located inside the San Ramon Community Center)

This is the first established Art Gallery named after late Parks Commissioner Lindsay Dirkx Brown. It features two floors of artwork enhanced by a professional gallery lighting system, with over ninety linear feet.

CITY HALL GALLERY

The newest City facility and gallery, which was built in 2017. Enjoy the full space with natural light that pours in from expansive glass walls. This is the largest gallery space and offers over a hundred feet of hanging space.

SAN RAMON LIBRARY GALLERY

Located within the Marketplace, the San Ramon Library is a vital center of community activity. Grab a book and view quarterly rotating exhibits on the first floor of the library.

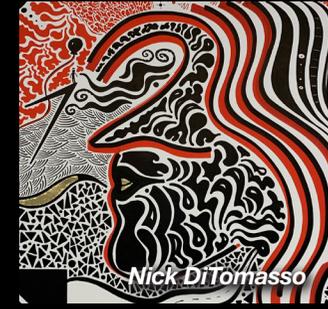

DOUGHERTY STATION COMMUNITY CENTER GALLERY

The only gallery space in the Dougherty Valley, the Dougherty Station Community Center Gallery is located where the City's state-of-the-art 90-seat community performing space is housed. Enjoy a concert, film, or perhaps an improv show – with the added bonus of seeing quality art.

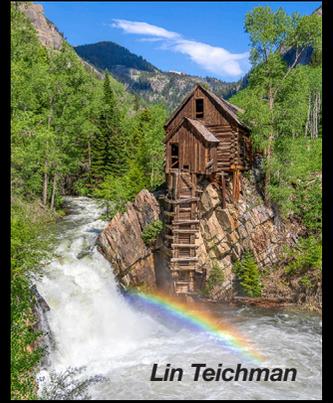

ALCOSTA SENIOR AND COMMUNITY CENTER GALLERY

The Alcosta Senior and Community Center provides important services and programs such as drop-in classes and a lunch program. Artwork in a wide variety of styles and mediums enlivens the space at an already exciting center with monthly exhibits.
