## **ROADWAY OPENING**

### **FARIA PRESERVE PARKWAY AT BOLLINGER CANYON ROAD**

On August 3, 2020, Faria Preserve Parkway at Bollinger Canyon Road was opened for vehicular use. The opening of Faria Preserve Parkway at this location was required by the San Ramon Valley Fire Protection District (SRVFPD) to provide SRVFPD immediate access for emergency response from their Fire Station at Crow Canyon Road/Bollinger Canyon Road to the new homes within The Preserve development. Opening Faria Preserve Parkway at Bollinger Canyon Road eliminates the need for SRVFPD responding vehicles to use Deerwood Road and access to the development near San Ramon Valley Boulevard.

Although Faria Preserve Parkway is open for public use, the roadway is currently under private ownership and maintenance by Lennar until such time that formal acceptance of the roadway is acted upon through the City Council, which is not anticipated for several months.
