

CONSTRUCTION NOTICE

“The Preserve” (Faria Preserve Property)

Dear Neighbor,

This is a courtesy notice from Lennar to remind our neighbors that land development (grading, installation of utilities, road construction, etc.) on “The Preserve” (commonly known as the Faria property), will continue this year. Home construction also will continue throughout this year. “The Preserve” is the marketing name for the Faria property residential development for neighborhoods one through four (438 of the total-approved 618 residential units). [Note: Lennar purchased CalAtlantic Homes last year; there is no change in contact personnel nor in the plan for development of the property.]

You are receiving this notice because your property, home or business is located within 500' of the boundary of the development.

Land development will commence as soon as weather conditions permit. In addition to work directed by Lennar, the East Bay Municipal Utilities District (EBMUD) will continue to have contractors on-site to complete the two new water tanks to serve the residents of The Preserve, and to provide water connections to the new homes.

Examples of activities expected this year include, but are not limited to:

- Grading of home sites (“pads”)
- Construction of retaining walls
- Completion of underground utilities and roadway widening along Bollinger Canyon Road project frontage
- Installation of underground utilities onsite
- Completion of in-tract neighborhood roads
- Installation of traffic signal and modifications to the intersection at Purdue Road and San Ramon Valley Blvd
- Modification of the intersection at Deerwood / Fostoria Roads and San Ramon Valley Blvd
- Grading and infrastructure installation for the public community park
- Continued construction of production homes
- Installation of irrigation, landscaping and landscape features throughout the community

In accordance with the project conditions of approval (subject to modification with City approval):

Construction hours:

Monday – Friday: 7:30 am – 6:00 pm
Saturdays: 9:00 am – 5:00 pm

If you have questions for Lennar regarding The Preserve, please contact:
