

NOTICE OF CONSTRUCTION

CROSSWALK ENHANCEMENT PROJECT

SAN RAMON VALLEY BOULEVARD/SAFEWAY SHOPPING CENTER DRIVEWAY & NORTH MONARCH ROAD/JAPONICA WAY

Planned construction period: September 25 through October 25, 2020

This City project is to install Rectangular Rapid Flashing Beacons (**RRFB**) crossing San Ramon Valley Boulevard at Diablo Shopping Center (Safeway/7-Eleven Driveway) and at North Monarch Road and Japonica Way intersections.

This project will also remove the mid-block crosswalk at 2550 San Ramon Valley Boulevard at Twin Canyon Shopping Center / movie theater driveway north of Norris Canyon Road.

The contractor will make modifications to the signage and traffic striping, which will affect the sidewalks, bicycle lane and traffic lanes during work hours of 9:00 AM to 3:30 PM Mondays through Fridays.

The contractor, DC Electric, will have traffic control and flaggers in place during construction.
