Windemere Ranch Middle School Cricket Pitch Renovation Update

The newly designed cricket pitch at Windemere Ranch Middle School has completed its first year of use and the facility is designed by one of the City’s contract landscape architects, with input from the San Ramon Cricket Association (SCA), the new facility will offer improved playing surfaces from the pitch itself to the surrounding grass field.

The new layout has been well received and is already seeing increased shuttle service between Park-and-Ride lots and BART stations, increased school bus service, and the purchase of additional transit vehicles for the cricket pitch.

Three Ways to Recycle Your Christmas Tree

1. Boy Scouts of America Annual Fundraiser
   Two Pickup Days: January 6, 2018, and January 19, 2018. For BSA donation, local Boy Scouts will pick up your tree. Visit www.sanramon.ca.gov or email info@bsaserrano.org

2. Waste Management Yard Waste Collection
   Garbage truck into lengths that will easily fit into cart and allow lid to completely close. Place two pieces into cart any time after holidays.

Crime Prevention with Cameras

The holiday season is here and with package being delivered on a daily basis, situational cameras are a great way to deter and catch those thieves and criminals. Crime opportunity continues in our city and trying to identify the suspect is often difficult. The San Ramon Police Department is looking for assistance in identifying suspects. If your property has a security camera, we urge you to register with our Citizen View Registry. If a crime occurs in your neighborhood, please call the recording in an effort to identify any suspects that may have been at your tree:

In an effort to build our crime fighting capabilities, the San Ramon Police Department is suggesting that R&D’s and apartment/condo community purchase and place situational cameras throughout your development/neighborhoods (preferably optimum and extra points). The San Ramon Police Department would pay for the installation of cameras images after a crime has occurred.

In order to reduce and solve crimes in our city, we need to work together as a community. The San Ramon Police Department relies on our citizens’ eyes and ears, and we cannot do it alone. We can’t do it alone, we need YOU!

For more information on garbage and recycling, please visit: www.sanramon.ca.gov

City Council joined the PARS

program helps San Ramon property owners reduce their risk from flooding

The City’s on-going participation in FEMA’s Community Rating System (CRS) program helps San Ramon residents reduce their risk from flooding, and provides them a discount on their flood insurance premium. Under this CRS program, the City performs activities such as:

- Maintenance of drainage infrastructure (storm drain tim, pipes, and curb and gutter) as required for effective flood control and to provide adequate flood relief

- Public Works at (925) 973-2800 during business hours M-F 8:30 AM - 5:00 PM, and at the San Ramon Sports Park (2015 Crow Canyon Rd.) M-F 8:30 AM – 10:00 PM, at the San Ramon Sports Park (2015 Crow Canyon Rd.) M-F 8:30 AM – 10:00 PM, at the San Ramon Sports Park (2015 Crow Canyon Rd.) M-F 8:30 AM – 10:00 PM

- Call 911 for an after-hours response.

- For more information on the Winter Spare the Air Program, please visit: http://www.sparetheair.org/ for a Regional Winter Air Quality Management Program

- Storm-Related

- For more information on the Winter Spare the Air Program, please visit: http://www.sparetheair.org/ for a Regional Winter Air Quality Management Program

- Report clotted storm drains, debris, trash, or other litter by calling Waste Management at (925) 973-2800, or Police Dispatch at (925) 973-2779 after hours, and they will contact the Public Works Emergency/Standby Response Team for an after-hours response.

No Extra Trash Service

Make a Difference

The Winter Spare the Air program helps San Ramon residents reduce their risk from smog, provides them with a discount on their flood insurance premiums under this program, and gives them points for being environmentally conscious.

The Winter Spare the Air program encourages Bay Area residents to lower the amount of particulate matter they contribute to the air during the season and receive points for being environmentally conscious throughout the winter.

To determine how many points you have earned, visit the Winter Spare the Air program website and enter your zip code.

The benefits of being environmentally conscious during the Cold Winter months include

- Receiving a discount on your flood insurance premiums for each point earned.
- Improving the air quality in your community.
- Reducing the risk of smog-related health problems.
- Protecting your home from potential flooding.
- Reducing your carbon footprint.
- Conserving energy.
- Protecting wildlife and natural resources.
- Enhancing the aesthetic value of your community.
- Reducing the strain on infrastructure.
- Increasing the lifespan of your home.
- Reducing the cost of heating and cooling.

The City of San Ramon has placed several new safety signs in locations throughout the City. Currently, there are several new signs installed where streets have been hit, damaged, or torn down. The standards for these signs and their placement are as follows:

- Signs are larger in size
- Signs contain white letters on a black background
- Minimum letter height for uppercase is 4 inches
- Lowercase is 4 ½ inches

Since the CalPERS system is a guaranteed pension plan the system is not flexible in the benefit level provided to its members. And the over the last ten years there have been some significant declines to the total funding available to CalPERS. But even with the recent loss of the stock market, the excess returns on the endowment are able to fund the promise to provide retirement benefits.

In addition, the City has organized several financial statements to address the issues. In 2012 San Ramon adopted a “Second tier” retirement plan for new employees. The plan is a defined benefit retirement plan and moved the employee and employer contributions to a defined contribution plan. The City negotiated a phased plan to have each individual employee pays for his/her share of the retirement fund by using a free email and digital subscription service. Information to sign up is available at E-SanRamon Updates, visit the City’s website and click on the “Sports Field Calendar” link. The sports field conditions are also online. For visiting teams who would like to know before they arrive if the sports fields are open or closed but do not want to subscribe to SanRamUnpdated, visit the City’s website and click on the “Sports Field Conditions” link on the homepage.

For more information, please visit http://511.org/.
### Winter 2017

#### Three Ways to Recycle your Christmas Tree:

1. **Boy Scouts of America Annual Fundraiser**
   - **Tree Pick-Up Day**: Saturday, January 6, 2018.
   - For $10 donation, local Boy Scouts will pick up your tree. Visit [www.sanramonscouts.org](http://www.sanramonscouts.org) or email Trees@sanramonscouts.org.

2. **Waste Management Yard Stand**
   - **Green Waste Cart**: Cut tree into lengths that will easily fit into the Bollinger Canyon interchange at I-680 — completely flat. Place two pieces into cart any time after holidays.

3. **Special One-Time Tree Pickup Week**: January 8 - 14, 2018.
   - For a $10 donation, local Scouts will pick up your tree. Visit [www.sanramonscouts.org](http://www.sanramonscouts.org) or email Trees@sanramonscouts.org.

### Crime Prevention with Cameras

The holiday season is here and with it comes a new season of украшения. Security systems are a great way to deter and catch these criminals.

In an effort to build our community crime fighting capabilities, the San Ramon Police Department is suggesting to those who’s home or apartments, community property has a security camera, we urge you to register with our CrimeView camera registry. If a crime occurs in your community, the police need the recording an in an effort to identify any suspects that may have been in the area at that time. This is our best chance of identifying and catching the criminal after the fact.

The San Ramon Police Department relies on our citizens’ eyes and ears to help us solve crimes. You can become anywhere in the world. Your neighbors can be everywhere throughout the city, the Development Services and for San Ramon and San Ramon Valley... New Year’s Eve. If you have any questions or need assistance with your collection, please feel free to contact us. For more information on garbage and recycling, please visit: [www.sanramon.ca.gov](http://www.sanramon.ca.gov) or [www.sanramonlibrary.org](http://www.sanramonlibrary.org).

### Windemere Ranch Middle School Cricket Pitch Renovation Update

The newly designed cricket pitch has been completed at Windemere Ranch Middle School. Professional fields are designed by one of the City’s contract landscape architects, with input from the San Ramon Cricket Association (SRC), the district, and the students. The new facility will offer improved playing surfaces from the pitch itself to the surrounding grass field.

Innovate 680

The Contra Costa Transportation Authority (CCTA) initiated the Innovate 680 program in 2017. The program is a multi-agency collaboration to address congestion on I-680 by developing integrated solutions for a complex challenge. The I-680 corridor encompasses multiple jurisdictions, access to and from major freeway system from local arterial roads, parallel streets, the Iron Horse Trail and other bike and pedestrian facilities, and overlapping transit networks. Solutions to congestion require a multi-phased approach with collaboration from multiple agencies to bring solutions to the near and long-term. This program will strive to provide travelers with an efficient, modern, and long-term solution.

I-680 Transit Investment/Congestion Relief Options Study (2018). The purpose of the study is to assess operational improvements that can be implemented to improve the off-peak and peak travel times congestion and travel conditions.

The study will identify operational improvements that can be implemented at the intersections and facilitate movement of transit and light occupancy vehicles from local arterials to I-680. The Bollinger Canyon Road I-680 interchange is also included. Funding for the I-680 Bollinger Canyon Road Operational Analysis Study is secured. The Study is expected to begin in early 2018.

Crime Prevention with Cameras

The holiday season is here and with packages being delivered on a daily basis, surveillance cameras are a great way to deter and catch those who don’t belong. Crime opportunities continue in our city and trying to identify the suspect is often difficult. We urge you to register with our Citizen View camera registry. If a crime occurs in your neighborhood, we urge you to record your crime on our Citizen View camera registry. If a crime occurs in your neighborhood, we urge you to record your crime on our Citizen View camera registry.

The San Ramon Police Department is suggesting that 360’s and apartments/condos community purchase and place a security camera or surveillance cameras throughout your development/neighborhoods (preferably coaxial and cctv). The San Ramon Police Department would be pleased to provide assistance with recommendations.

To sign up for our citizen view camera registry, please visit www.sanramon.wm.com.

Windenmer Ranch Middle School Cricket Pitch Renovation Update

The newly designed cricket pitch has been completed at Windemere Ranch Middle School. The design was completed by one of the City’s contract landscape architects, with input from the San Ramon Cricket Association (SCCA), the Mayor, the City’s Parks and Recreation Staff, and facility improvements for the cricket playing surfaces from the pitch area to the surrounding grass field.

Crime Prevention with Cameras

The holiday season is here and with packages being delivered on a daily basis, surveillance cameras are a great way to deter and catch those who don’t belong. Crime opportunities continue in our city and trying to identify the suspect is often difficult. We urge you to register with our Citizen View camera registry. If a crime occurs in your neighborhood, we urge you to record your crime on our Citizen View camera registry.

The San Ramon Police Department is suggesting that 360’s and apartments/condos community purchase and place a security camera or surveillance cameras throughout your development/neighborhoods (preferably coaxial and cctv). The San Ramon Police Department would be pleased to provide assistance with recommendations.

To sign up for our citizen view camera registry, please visit www.sanramon.wm.com.

Three Ways to Recycle your Christmas Tree:

1. San Ramon Historic Foundation: Crab Feed*
   January 27
   Dougherty Valley Performing Arts Center

2. Waste Management Yard Waste Event: Green Waste Cart
   Cut tree into lengths that will only fit the Bollinger Canyon cart completely. Place tree pieces into cart any time after holidays.

3. Special-One Time Tree Pickup
   Week of January 8, 2018
   Set out the art for pickup by a special Waste Management truck. Cut large trunks into lengths of 6 feet or less.

*Call Waste Management at (925) 973-1200 to arrange for collection with an additional pickup fee.

For more information on garbage and recycling, please visit: www.sanramon.wm.com.
